# Accredited Certification Body

IAS ACCREDITED™ Personnel Certification Body

√ IAS Accredited | √ PCB-168 | √ ISO/IEC 17024 | √ IAF MLA Recognized

## GSDC is an IAS accredited certification body

GSDC is independently accredited by the International Accreditation Service (IAS) as a Personnel Certification Body, PCB-168, under ISO/IEC 17024. This confirms GSDC's competence to develop and maintain professional certification programs to internationally recognized standards.

*IAS holds signatory status across APAC, IAF and ILAC arrangements.*

ABICB Accreditation Board for International Certification Bodies

Also accredited by ABICB

ABOUT THE CERTIFICATION

# Govern AI with Confidence

1. Build the skills to establish AI governance practices, manage AI risks, define policies and support responsible, compliant use of AI across the organization.

2. Work with the frameworks that matter: ISO/IEC 42001, NIST AI RMF, the EU AI Act, ISO/IEC 23894, OECD and UNESCO principles.

3. Earn a globally recognized, vendor-neutral credential with lifetime validity and lifetime access to all learning.

AT A GLANCE

## Built for the people who make AI safe to scale

| | |
|---|---|
| **16+ hrs** | instructor-led training |
| **2** | full practice exams |
| **12** | in-depth modules |
| **Lifetime** | certificate validity |

EVERYTHING IN THE PROGRAM
