Introduction

Certification In Generative AI In HR & L&D

For HR professionals and L&D specialists, the Generative AI in HR and Learning & Development Certification from GSDC is a specialized program. This certification allows professionals to gain core knowledge and skills to leverage generative AI for improving HR processes and employee training.

A generative AI certification in HR and L&D focuses on ways in which generative AI can be used to acquire talent, engage employees, and manage performance. It also sees how AI-driven natural language processing can renovate content creation and custom-made learning experiences in L&D. Professionals can also get insights into ethical considerations in HR AI and responsible AI integration.

Thus, this certification allows HR and L&D professionals to leverage generative AI for driving efficiencies in HR, employee development, and organization growth in modern work environments.

Learning Objective

1. Demonstrate practical competence in generative AI.
2. Apply generative AI to the creation of ground-breaking solutions.
3. Tackle the complexities of AI-powered technology with skill.
4. Show proficiency in the production of artificial intelligence-generated media.
5. Make significant advancements in the field of artificial intelligence.
6. Verify how generative AI expertise is used in practice.
7. Encourage the development and innovation of generative AI.

Certified Learning & Development Professional CLDP

I took the certification course "Certified Learning & Development Professional CLDP" approved by the GSDC - Global Skill Development Council. So grateful to the professional team at the GSDC for this enlightening opportunity; namely, Ruguozeno, for her dedication, responsiveness, and constant support throughout this learning journey. And very special thanks to the amazing trainer and coach Deepak Sharma for the great weekly live sessions which I believe are the highlight of this certification programme. His knowledge, expertise, and outstanding skills have made the course very insightful, engaging, and enjoyable!
