# Introduction

## Certified Generative AI For Program Management

As generative AI transforms how programs are managed, the GSDC Certified Generative AI for Program Management certification provides valuable proof of understanding this increasingly important technology.

The certification exam covers core concepts in applying generative AI for Program Management like accelerating planning with AI assistants, automating status reporting, and scenario modeling. With generative AI for Program Management advancing rapidly, this certification signals up-to-date expertise in leveraging AI to enhance productivity. The exam's focus on real-world implementation of generative AI makes it uniquely practical for Program Managers aiming to enable efficiency gains in their organizations through AI.

By validating capabilities in a technology area as timely as generative AI for Program Management, the GSDC certification assists in career advancement as demand grows for leaders who can guide the adoption of AI in program management contexts.

# Learning Objective

---

1. Test generative AI principles and methodologies
2. Validate your AI models to streamline workflows
3. Harness predictive analytics and automate tasks
4. Uncover insights from vast datasets
5. Test your management of complex projects to drive success
6. Utilize generative AI tools and methodologies
7. Enhance decision-making processes
8. Validate your usage of ChatGPT, Bing, Bard, and other AI applications

## **OBJECTIVES OF GENERATIVE AI IN PROGRAM MANAGEMENT CERTIFICATION**

## **1. Introduction to Generative AI:**

- Generative AI basics
- Tools overview
- Role in management

**Certified Learning & Development Professional CLDP**  
 I took the certification course "Certified Learning & Development Professional CLDP" approved by the GSDC - Global Skill Development Council. So grateful to the professional team at the GSDC for this enlightening opportunity; namely, Ruguozeno, for her dedication, responsiveness, and constant support throughout this learning journey. And very special thanks to the amazing trainer and coach Deepak Sharma for the great weekly live sessions which I believe are the highlight of this certification programme. His knowledge, expertise, and outstanding skills have made the course very insightful, engaging, and enjoyable!
