Introduction

Certified Instructional Designer

The Certified Instructional Designer certification offered by GSDC is a professional certification program that aims to validate the skills and knowledge of individuals working in the field of instructional design.

To earn the certification, candidates must pass an exam that covers various aspects of instructional design, including analysis, design, development, implementation, and evaluation of instructional materials and programs. The Certified Instructional Designer certification is a globally recognized credential that demonstrates an individual's proficiency in the field of instructional design. This certification can be useful for instructional designers, trainers, educators, and other professionals who are involved in developing and delivering effective learning programs.

Overall, the Certified Instructional Designer certification from GSDC is a valuable credential for individuals looking to advance their careers in instructional design and demonstrate their expertise in the field.

Learning Objective

- ✓ The certification validates skills and knowledge in the field of instructional design.
- ✓ It demonstrates proficiency in developing effective learning programs.
- ✓ Obtaining the certification can lead to career advancement opportunities in instructional design.
- ✓ The certification builds credibility and establishes recognition as an expert in the field.
- ✓ Certified Instructional Designers are equipped to better meet the needs of learners and organizations.
- ✓ The certification ensures individuals are up-to-date with the latest trends and best practices in instructional design.

Certified Learning & Development Professional CLDP
I took the certification course "Certified Learning & Development Professional CLDP" approved by the GSDC - Global Skill Development Council. So grateful to the professional team at the GSDC for this enlightening opportunity; namely, Ruguozeno, for her dedication, responsiveness, and constant support throughout this learning journey. And very special thanks to the amazing trainer and coach Deepak Sharma for the great weekly live sessions which I believe are the highlight of this certification programme. His knowledge, expertise, and outstanding skills have made the course very insightful, engaging, and enjoyable!
