Excited to share that I've earned my Certified Prompt Engineering certification from the Global Skill Development Council (GSDC)!

As AI continues to transform how we work, understanding how to effectively communicate with and leverage these tools has become essential. This certification has deepened my knowledge in crafting effective prompts and maximizing AI capabilities.

Looking forward to applying these skills in real-world applications and continuing to grow in this dynamic field. [#gsdccertified](#)

Certified Learning & Development Professional CLDP
I took the certification course "Certified Learning & Development Professional CLDP" approved by the GSDC - Global Skill Development Council. So grateful to the professional team at the GSDC for this enlightening opportunity; namely, Ruguzeno, for her dedication, responsiveness, and constant support throughout this learning journey. And very special thanks to the amazing trainer and coach Deepak Sharma for the great weekly live sessions which I believe are the highlight of this certification programme. His knowledge, expertise, and outstanding skills have made the course very insightful, engaging, and enjoyable!
