Introduction

Certified in Design Thinking Professional

The GSDC Certified Design Thinking Professional certification, provided by Global Skills Development Council (GSDC), serves as a validation of individuals' expertise in design thinking—an influential approach to problem-solving and innovation.

This Design Thinking certification showcases a profound comprehension of the design thinking process, emphasizing the significance of empathizing with users and developing solutions that cater to their needs. Professionals who earn this certification demonstrate their proficiency in ideation, prototyping, and testing, as well as their aptitude for leading design thinking workshops and projects. By obtaining the GSDC Design Thinking certification, individuals enhance their professional reputation and gain a competitive edge in the job market.

This certification offers tangible evidence of their skills and knowledge in applying design thinking principles to tackle complex challenges effectively.

It serves as a testament to their ability to think critically, explore innovative ideas, and create user-centered solutions that drive organizational growth and success. Moreover, this certification opens up a world of new career opportunities. Employers across various industries seek professionals who can bring a fresh perspective to problem-solving, fuel creativity, and facilitate innovation within their teams.

Learning Objective

- Demonstrate understanding of the design thinking process and principles
- Assess empathy and needs identification skills
- Recognize leadership in design thinking workshops and projects.
- Expand career opportunities in innovation-driven roles
- Inspire an organizational culture of innovation
- Showcase proficiency in applying design thinking methodologies
- Evaluate ideation, prototyping, and testing abilities
- Enhance professional credibility in design thinking.
- Foster collaboration and creative problem-solving

Certified Learning & Development Professional CLDP
I took the certification course "Certified Learning & Development Professional CLDP" approved by the GSDC - Global Skill Development Council. So grateful to the professional team at the GSDC for this enlightening opportunity; namely, Ruguzeno, for her dedication, responsiveness, and constant support throughout this learning journey. And very special thanks to the amazing trainer and coach Deepak Sharma for the great weekly live sessions which I believe are the highlight of this certification programme. His knowledge, expertise, and outstanding skills have made the course very insightful, engaging, and enjoyable!
