Join us today and let your skills soar to new heights!

Introduction

Certified in DevOps Foundation

The GSDC Certified DevOps Foundation certification provides validated proof of a solid understanding of DevOps methodologies. As DevOps practices are being rapidly adopted across industries, this foundational certification equips candidates with highly relevant and desirable knowledge.

By pursuing the DevOps foundation certificate, professionals demonstrate their commitment to staying updated on best practices. The certification covers core concepts around combining software development and IT operations, facilitating collaboration between teams. Certified professionals have a credible certification that sets them apart from peers. Given how instrumental DevOps is in enabling organizational agility, the certified DevOps foundation increases one's competency in an extremely valuable area.

Candidates gain well-rounded knowledge that makes them more employable and expands their career opportunities. In a competitive job market, the devops foundation certification better prepares candidates and renders them more desirable.

Learning Objective

❑Showcase your DevOps objectives and vocabulary

❑Comprehend benefits to the business and IT

❑Explore the relationship with other frameworks like Agile, Lean, and IT Service Management (ITSM)

❑Show your grasp of automation practices and tools

Certified Learning & Development Professional CLDP

I took the certification course "Certified Learning & Development Professional CLDP" approved by the GSDC - Global Skill Development Council. So grateful to the professional team at the GSDC for this enlightening opportunity; namely, Ruguozeno, for her dedication, responsiveness, and constant support throughout this learning journey. And very special thanks to the amazing trainer and coach Deepak Sharma for the great weekly live sessions which I believe are the highlight of this certification programme. His knowledge, expertise, and outstanding skills have made the course very insightful, engaging, and enjoyable!
