

Certification In Generative AI In Finance & Banking

Global Certification Program

- ✓ Globally lifetime Valid Certification
- ✓ Lifetime Valid Certification
- ✓ AI based Roleplay & Simulations
- ✓ Two Exam Attempts

An Overview

what you can expect from this program

How can artificial intelligence transform the financial sector? Explore GSDC's Generative AI in Finance and Banking Certification - a cutting-edge program that equips you with the knowledge and skills to harness generative AI for revolutionizing financial analysis, risk management, fraud detection, and customer service.

Through this certification, you'll delve into advanced generative AI models like GANs and transformers, learning how to leverage them for predicting market trends, automating tasks, and enhancing customer experiences. Gain expertise in leveraging innovative AI technologies to streamline operations, reduce complexities, and drive innovation within the dynamic finance and banking sectors. Additionally, the program covers ethical considerations and regulatory compliance for responsible AI integration.

Elevate your career, stay ahead of the curve, and become a trailblazer by obtaining this certification. Embrace the future of finance with cutting-edge AI capabilities at your fingertips.

	Type	Online self-paced learning, Mocks
	Language	English (including subtitles)
	Access	12 months
	AI based Role play	Prepare yourself for career with AI based roleplay
	Digital certificate upon completion (2 Attempts)	
	Card Payment, Bank Transfer	
	Reading materials & Reference Templates	
	100% money back guarantee*	

GSDC Introduction

Welcome to the Global Skill Development Council (GSDC)!

As an independent, vendor-agnostic certification organization, we empower professionals worldwide.

Leading MNC organizations and global universities recognize our certifications. With a diverse portfolio of over 150+ programs, including L&D, HR, SRE, DevOps, Agile, Six Sigma, and Cyber Security, we've certified over 250,000 professionals.

Partnered with 100+ global training organizations, GSDC is your gateway to unlocking endless opportunities.

Join us today and let your skills soar to new heights!

Introduction

Certified Generative AI In Finance And Banking

GSDC's Generative AI in Finance and Banking Certification is one of the specialized programs developed for professionals in the financial industry. This certification brings professionals the knowledge of AI in finance and what skills they must have to understand the workings of AI in the banking sector. It will also help professionals transform the power of generative AI in financial analysis, risk management, fraud detection, and consumer service.

Through Generative AI in Finance Certification, professionals will discover the different applications of Generative AI Models, which cover GANs and transformers in predicting market trends, automating financial tasks, and improving consumer experiences. Generative AI in finance and banking certification programs contributes to addressing the ethical considerations and regulatory compliance essential in finance and banking applications.

Graduates appear as experts or professionals who are capable of leveraging generative AI to enhance financial operations, reduce complexities in finance problems, and provide innovative solutions in the dynamic world of finance and banking.

Learning Objective

- Demonstrate practical knowledge of Generative AI.
- Develop creative and innovative solutions using Generative AI.
- Contribute to the evolving field of Artificial Intelligence.
- Validate practical application skills in Generative AI.
- Navigate complexities of AI-driven technologies.
- Achieve proficiency in AI-generated synthetic media.
- Advance expertise in Generative AI technologies.

OBJECTIVES OF GENERATIVE AI IN FINANCE AND BANKING CERTIFICATION

Curriculum

1. Exploring Generative AI

- Introduction to Generative AI
- The historical evolution of Generative AI
- Ethical considerations in AI
- Relevance of Generative AI in finance and banking

2. Machine Learning Fundamentals

- A primer on machine learning
- Understanding supervised and unsupervised learning
- Distinguishing regression from classification

3. Delving into Deep Learning

- The essence of neural networks
- The backpropagation method and gradient descent
- Activation functions in deep learning
- Key components of deep learning

4. Generative Adversarial Networks (GANs) in Finance

- Unpacking Generative Adversarial Networks (GANs)
- The mechanics of GANs
- Applications of GANs in finance and banking
- Recognizing GANs' limitations and challenges

5. Variational Autoencoders (VAEs) in Finance

- Insights into Variational Autoencoders (VAEs)
- Training VAEs
- VAE applications in finance and banking
- A comparative analysis of GANs and VAEs

6. Time Series Analysis with Generative Models

- Introduction to time series data
- Forecasting using generative models
- Detecting anomalies through generative models

7. NLP and Sentiment Analysis in Finance

- Leveraging Natural Language Processing (NLP) for sentiment analysis
- Named entity recognition's significance
- NLP applications in risk assessment within finance

8. Fraud Detection in Finance

- Generative AI's role in fraud detection
- The associated challenges and risks

9. Credit Scoring and Risk Assessment

- Credit scoring models and their importance
- Harnessing generative AI for risk assessment
- Regulatory considerations in credit and risk assessment

10. Algorithmic Trading with Generative Models

- Algorithmic trading's landscape
- Deploying generative AI in trading strategies
- Assessing risks and challenges
- Guidelines for Ethical AI Development

11. Model Interpretability and Explainability

- The significance of model interpretability
- Techniques for understanding generative AI models
- Adhering to regulatory demands

12. Use Cases with Generative AI Tools & Hands-on Demos

- Learn to create AI Enhanced PowerPoint Presentations, Images, and Chart Analysis for business purposes
- Leverage AI for automated data insights, simplifying the journey from data collection to impactful business strategies
- Harness the power of AI for document summarization, distilling vast information into concise summaries effortlessly
- Build AI-powered personalized recommendation systems with your data on PDF/Word documents using AI assistants
- Content Generation (Audio, Video, Images) with Prompt Engineering

13. Personalized 1-1 & Group connect session

- Personalized 1-on-1 Trainer/SME Connect Session** - Receive a 1-on-1 connect session from Trainer/SME to resolve all types of queries.
- Weekly Group Mentor Connect Session with Lifelong Learning** - Participate in a weekly group session with an industry experts where all types of professionals around the world connect with SME and have a brainstorming session.

Unleash Unlimited Potential

All GSDC certifications come with a lifetime membership, offering you a world of benefits to fuel your professional growth.

Expert Created Learning Material

Learn from knowledge shared by Top Industry Experts with 15+ yrs of experience.

Access to Global Conferences

Be a part of GSDC thriving learning community around the world, sharing knowledge from across the world.

Speaker invites @ GSDC Webinar Series

Share your knowledge with world at GSDC global webinar series, share your expertise and learn from others.

Downloadable Resources

Get access to templates and reference documents which will help you to do your day to day tasks easier.

Certificate Upgrades

Get complimentary certificate upgrades to keep up with the latest updates in processes and frameworks.

Newsletters, blogs with industry insights

Get newsletters, announcements and articles curated by experts direct to your inbox.

AI Based Role Play

Learn to implement applicability of knowledge with real life simulation based games.

What You Get In this Certification Program?

- Engaging digital learning videos
- Exclusive access to Global thought leader sessions & case studies
- Downloadable and implementable resources to support practical application
- Two mock exams with unlimited attempts for comprehensive preparation
- Certification exam voucher with 1-year validity
- Two attempts for certification exam

What our Candidates Saying?

We greatly appreciate the feedback from our program participants on Trustpilot. With an impressive average rating of 4.7 out of 5, their reviews highlight the positive experiences and value they have gained from our program.

Certified Learning & Development Professional CLDP

I took the certification course "Certified Learning & Development Professional CLDP" approved by the GSDC - Global Skill Development Council. So grateful to the professional team at the GSDC for this enlightening opportunity; namely, Ruguzeno, for her dedication, responsiveness, and constant support throughout this learning journey. And very special thanks to the amazing trainer and coach Deepak Sharma for the great weekly live sessions which I believe are the highlight of this certification programme. His knowledge, expertise, and outstanding skills have made the course very insightful, engaging, and enjoyable!

Expert-Led Generative AI: Learn, Connect, Grow

Expert-Led Sessions:

Engage in weekly 2-hour live sessions with industry expert, gaining cutting-edge insights and practical knowledge in Generative AI

Interactive Learning Experience:

Ask questions, discuss case studies, and receive implementation guidelines directly from expert, enhancing your understanding of complex AI topics

Lifelong Learning Journey:

Enjoy lifetime access to these sessions, ensuring you stay updated with the latest trends and continuously grow your AI expertise

Career-Boosting Network:

Connect with fellow professionals in the field, creating valuable relationships that can propel your career in the world of Generative AI

AI-Based Interview Practice Platform

- Engage With Real Time AI Interview Questions.
- Practice Questions Tailored with Your Expertise.
- Validate your Knowledge of subject Matter.

Capstone Project

- Apply Your Skills in Real World Scenario.
- Learn Methodologies Aligned to Your Expertise.
- Validate Skills and Knowledge Gained through the Certification.
- Showcase Expertise via a Capstone Project.

Enrollment-Options

Option-1

Certification In Generative AI In Finance And Banking with E-learning

Fast-track your career by learning a new skill and earning a certificate

- ✓ Access expert videos and weekend 2-hour live sessions every Saturday with lifetime access
- ✓ 1 Certification Program
- ✓ Two Exam Attempts
- ✓ Lifetime Valid Certification
- ✓ E-Learning Library Access
- ✓ Downloadable Resources-Book of Knowledge, Templates
- ✓ GSDC Membership
