Introduction

Certified ISO 22301:2019 Lead Auditor

The GSDC Certified ISO 22301:2019 Lead Auditor certification or Business Continuity Management Certification is a prestigious validation for professionals specializing in auditing business continuity management systems based on the ISO 22301 standard. Offered exclusively as a certification exam by GSDC, this credential acknowledges individuals who have acquired extensive knowledge and practical skills necessary to conduct comprehensive assessments. It demonstrates their proficiency in auditing processes, assessing compliance with the ISO 22301 standard, and providing valuable recommendations for enhancing an organization's business continuity capabilities.

By earning the GSDC Certified ISO 22301 Lead Auditor certification, professionals establish themselves as trusted auditors in the field of business continuity management. This certification not only enhances career prospects but also showcases their commitment to excellence in ensuring the resilience and continuity of organizations.

This recognition serves as a testament to their expertise, opening doors to new opportunities and solidifying their reputation as reputable leaders in auditing business continuity management systems.

Learning Objective

- Evaluate compliance with ISO 22301 standards.
- Establish credibility as a trusted business continuity management auditor
- Demonstrate commitment to organizational resilience and continuity
- Contribute to maintaining and improving business continuity management standards.

Certified Learning & Development Professional CLDP
 I took the certification course "Certified Learning & Development Professional CLDP" approved by the GSDC - Global Skill Development Council. So grateful to the professional team at the GSDC for this enlightening opportunity; namely, Ruguzeno, for her dedication, responsiveness, and constant support throughout this learning journey. And very special thanks to the amazing trainer and coach Deepak Sharma for the great weekly live sessions which I believe are the highlight of this certification programme. His knowledge, expertise, and outstanding skills have made the course very insightful, engaging, and enjoyable!
