The **Certified ISO 31000:2018 Risk Manager** program combines structured learning with guided, hands-on practice that mirrors real-world risk management. Participants conduct risk assessments, design treatment strategies, implement monitoring frameworks, and evaluate risk performance directly on practical exercises, building confidence to apply ISO 31000:2018 standards in professional settings.

Learn By Doing

Don't just watch - Apply what you learn immediately.

Turn ISO concepts into real compliance actions. Every lesson in the GSDC ISO programs includes hands-on exercises aligned with key standards like ISO 42001, ISO 27001, ISO 22301, ISO 31000 and ISO 20000. Practice documentation, audits, gap assessments, risk evaluations, and implementation activities directly on the platform. Build real, implementation-ready ISO skills-no technical background required.

How it Works:

STEP 1 :
Watch the Video: Learn each tool through expert-led tutorials.

STEP 2 :
Complete the Guided Challenge: Practice on the same platform and apply your knowledge step by step.

Lifetime Access: Revisit videos and challenges anytime.
