GSDC Introduction

Welcome to the Global Skill Development Council (GSDC)!

As an independent, vendor-agnostic certification organization, we empower professionals worldwide.

Leading MNC organizations and global universities recognize our certifications. With a diverse portfolio of over 150+ programs, including L&D, HR, SRE, DevOps, Agile, Six Sigma, and Cyber Security, we've certified over 250,000 professionals.

Partnered with 150+ global training organizations, GSDC is your gateway to unlocking endless opportunities.

Join us today and let your skills soar to new heights!

Introduction

Certified in KANBAN Professional

The GSDC Certified KANBAN Professional certification is more than just a testament to your expertise in Kanban methodology; it's a passport to unlocking new opportunities and pushing the boundaries of organizational efficiency. By independently honing your skills, this credential serves as a beacon for professionals ready to showcase their mastery.
The certification exam scrutinizes your understanding of Kanban principles, practices, metrics, and implementation strategies, challenging you to optimize workflows, foster collaboration, and spearhead continuous improvement initiatives. Attaining this distinction signals your proficiency in leading Kanban initiatives, empowering teams, and leveraging data-driven insights to supercharge productivity.

The GSDC Certified KANBAN Professional sets you apart in the job market and instills confidence in employers and clients alike. It represents your commitment to becoming a true Kanban expert and positions you as a valuable asset capable of transforming organizations.
With GSDC's rigorous and impartial certification process, achieving this prestigious title proves that you have not only mastered Kanban but also exemplify the qualities of a forward-thinking, dynamic professional ready to revolutionize the way work gets done.

Learning Objective

❑ Gain a solid understanding of Kanban systems

❑ Master the design and implementation of Kanban systems using the STATIK method (Systems Thinking Approach to Introducing Kanban).

Certified Learning & Development Professional CLDP

I took the certification course "Certified Learning & Development Professional CLDP" approved by the GSDC - Global Skill Development Council. So grateful to the professional team at the GSDC for this enlightening opportunity; namely, Ruguozeno, for her dedication, responsiveness, and constant support throughout this learning journey. And very special thanks to the amazing trainer and coach Deepak Sharma for the great weekly live sessions which I believe are the highlight of this certification programme. His knowledge, expertise, and outstanding skills have made the course very insightful, engaging, and enjoyable!
