Introduction

Certified HR Analytics

The GSDC HR Analytics Professional certification is a globally recognized credential that validates an individual's expertise in leveraging data and analytics within the human resources domain. Awarded by the Global Skill Development Council (GSDC), a leading independent certification body, this certification highlights proficiency in HR analytics concepts and practices.

The certification process includes passing a comprehensive exam covering critical topics such as workforce analytics, predictive HR metrics, employee performance analysis, and data-driven decision-making. The exam is designed to evaluate an individual's understanding of modern HR analytics tools, techniques, and trends.

Holders of the GSDC HR Analytics Professional certification are recognized as skilled professionals who can apply data analytics to solve HR challenges effectively. This certification is a valuable asset for advancing career prospects and contributing to organizational success through evidence-based HR strategies. This certification rigorously tests your HR analytics expertise and ability to apply data-driven insights to real-world HR scenarios.

Learning Objective

- ❑ Validate and acknowledge the expertise, abilities, and proficiency of HR professionals in data-driven decision-making and analytics.
- ❑ Provide HR professionals with a competitive edge in the job market by demonstrating their ability to leverage analytics for strategic decision-making.
- ❑ Equip HR professionals with advanced HR analytics skills and knowledge to effectively utilize data in addressing modern organizational challenges and opportunities.
- ❑ Foster a culture of data-driven excellence and highlight the significance and transformative impact of analytics in the HR domain.

Be a part of GSDC thriving learning community around the world, sharing knowledge from across the world.

Speaker invites @ GSDC Webinar Series

Share your knowledge with world at GSDC global webinar series, share your expertise and learn from others.

Downloadable Resources

Get access to templates and reference documents which will help you to do your day to day tasks easier.

Certificate Upgrades

Get complimentary certificate upgrades to keep up with the latest updates in processes and frameworks.

Newsletters, blogs with industry insights

Get newsletters, announcements and articles curated by experts direct to your inbox.

AI Based Role Play

Learn to implement applicability of knowledge with real life simulation based games.

What You Get In this Certification Program?

- Engaging digital learning videos
- Exclusive access to Global thought leader sessions & case studies
- Downloadable and implementable resources to support practical application
- Two mock exams with unlimited attempts for comprehensive preparation
- Certification exam voucher with 1-year validity
- Two attempts for certification exam

What our Candidates Saying?

We greatly appreciate the feedback from our program participants on Trustpilot. With an impressive average rating of 4.7 out of 5, their reviews highlight the positive experiences and value they have gained from our program.

Expert-Led Generative AI: Learn, Connect, Grow

☐ **Interactive Learning Experience:**

Ask questions, discuss case studies, and receive implementation guidelines directly from expert, enhancing your understanding of complex AI topics

☐ **Lifelong Learning Journey:**

Enjoy lifetime access to these sessions, ensuring you stay updated with the latest trends and continuously grow your AI expertise

☐ **Career-Boosting Network:**

Connect with fellow professionals in the field, creating valuable relationships that can propel your career in the world of Generative AI

AI-Based Interview Practice Platform

- ☐ Engage With Real Time AI Interview Questions.
- ☐ Practice Questions Tailored with Your Expertise.
- ☐ Validate your Knowledge of subject Matter.

Capstone Project

- ☐ Apply Your Skills in Real World Scenario.
- ☐ Learn Methodologies Aligned to Your Expertise.
- ☐ Validate Skills and Knowledge Gained through the Certification.
- ☐ Showcase Expertise via a Capstone Project.

Enrollment-Options
