Join us today and let your skills soar to new heights!

Introduction

Certified in ISO 9001:2015 Lead Auditor

The GSDC Certified ISO 9001 Lead Auditor certification is a globally recognized credential that validates your expertise in auditing quality management systems according to the ISO 9001 standard. The ISO 9001 certification demonstrates your ability to assess organizational processes, identify areas for improvement, and ensure compliance with ISO 9001 requirements.

By obtaining this ISO 9001 lead auditor certification, you establish yourself as a skilled professional capable of conducting thorough audits, evaluating adherence to quality standards, and providing valuable insights to enhance organizational performance. GSDC's certification exams focus solely on assessing your knowledge and understanding of ISO 9001 principles and auditing techniques.

This ISO 9001 auditor certification gives you a competitive advantage in quality management, opening doors to career advancement opportunities and confirming your capability to drive continuous improvement within organizations.

Certified Learning & Development Professional CLDP

I took the certification course "Certified Learning & Development Professional CLDP" approved by the GSDC - Global Skill Development Council. So grateful to the professional team at the GSDC for this enlightening opportunity; namely, Ruguzeno, for her dedication, responsiveness, and constant support throughout this learning journey. And very special thanks to the amazing trainer and coach Deepak Sharma for the great weekly live sessions which I believe are the highlight of this certification programme. His knowledge, expertise, and outstanding skills have made the course very insightful, engaging, and enjoyable!
