Cyber Security Self-Assessment

Is Your Cyber Security Strong Enough? Take the Test!

Cyber threats are everywhere—from phishing attacks to data breaches and malware infections. **Are you truly protected?**

This **quick and easy self-assessment** will help you **evaluate your cybersecurity preparedness**, identify weak spots, and take proactive steps to strengthen your defenses.

Whether you're an **individual, business owner, or IT professional**, understanding your security risks is the first step to **preventing cyber attacks**.

◆ **How it Works:** Answer the following questions honestly. Keep track of your score and at the end, you'll receive a **personalized risk level rating** along with **actionable recommendations** to boost your cyber security.

◆ **Why Take This Test?**
✔ Identify security gaps before hackers do
✔ Strengthen your digital defenses with simple steps
✔ Reduce the risk of financial loss and data theft
✔ Protect your personal & business information

⚠️ **Cyber attacks are on the rise—Don't wait until it's too late!**

Let's find out how secure you really are.

SECTION 1: BASIC SECURITY MEASURES

✔️ **Do you use strong, unique passwords for all accounts?**

- Yes (3 Points)
- No (0 Points)

✔️ **Do you use a password manager to securely store credentials?**

- Yes (2 Points)
- No (0 Points)

✔️ **Do you enable Multi-Factor Authentication (MFA) for all critical accounts?**

- Yes, for all accounts (3 Points)
- Yes, but not for all accounts (1 Point)
- No (0 Points)

✔️ **Do you regularly update your passwords (every 3-6 months)?**

- Yes (2 Points)
- No (0 Points)

SECTION 2: NETWORK & DEVICE SECURITY

✔️ **Do you keep your operating system, apps, and antivirus software updated?**

- Yes (3 Points)
- Sometimes (1 Point)
- No (0 Points)

✔️ **Do you use a VPN when accessing public Wi-Fi?**

- Yes, always (3 Points)
- Sometimes (1 Point)
- No (0 Points)

✔️ **Is your home/office Wi-Fi secured with WPA3 encryption and a strong password?**

- Yes (3 Points)
- No (0 Points)

✔️ **Do you disable Bluetooth and location services when not in use?**

- Yes (2 Points)
- No (0 Points)

SECTION 3: PHISHING & THREAT AWARENESS

✅ **Are you trained to recognize phishing emails, links, and scams?**

- Yes (3 Points)
- No (0 Points)

✅ **Do you verify email senders before clicking on links or downloading attachments?**

- Yes, always (3 Points)
- Sometimes (1 Point)
- No (0 Points)

✅ **Have you reported or avoided any phishing attempts in the past year?**

- Yes (3 Points)
- No (0 Points)

SECTION 4: DATA SECURITY & BACKUP

✔️ **Do you back up your important data regularly (weekly/monthly)?**

- Yes, to both cloud & external storage (3 Points)

- Only to cloud OR external storage (1 Point)

- No (0 Points)

✔️ **Do you encrypt sensitive files and data?**

- Yes, always (3 Points)

- Sometimes (1 Point)

- No (0 Points)

✔️ **Do you have an incident response plan in case of a cyber-attack?**

- Yes, a documented plan (3 Points)

- I have a rough idea (1 Point)

- No (0 Points)

SCORING & RISK ASSESSMENT

🔵 **30 - 40 Points → Cyber Secure (Low Risk)**

✅ Congratulations! Your security measures are **strong**. Keep staying updated on the latest cybersecurity trends and threats.

🟡 **15 - 29 Points → Moderate Risk**

⚠️ Your cybersecurity defenses are **decent but need improvements**. Strengthen your passwords, enable MFA, and enhance network security.

🔴 **0 - 14 Points → High Risk (Vulnerable to Attacks!)**

🚨 Your security practices are **highly vulnerable**! Cybercriminals could easily exploit your accounts and data. **Take immediate action** to secure your digital presence.

Next Steps: Strengthen Your Cyber Security!

◆ **Improve Your Defenses** – Implement strong passwords, enable MFA, and educate yourself on phishing threats.

◆ **Enhance Your Security Skills** – Get certified in **Cyber Security with GSDC** to stay ahead of evolving threats.

GSDC
Global Skill Development Council

CERTIFIED CYBERSECURITY FOUNDATION

Get global recognition and stand out as a leader in the field of Cybersecurity Professional!

GSDC
Global Skill Development Council

CCSF

CERTIFIED

ABOUT GSDC CERTIFICATION

LIFETIME VALIDITY
GSDC Certification is an globally accreditted certification with lifetime validity.

EBOOK
Extensive and exclusive Ebook created by world's experts to help you with understanding core concepts.

CREATED BY EXPERTS
GSDC certifications are created and authored by world's leading experts in the field.

LEARNING MATERIALS
Get access to learning materials such as videos, ebooks, templates, and practice exams, which will help you clear the certification exam.

LEARNING OBJECTIVE

- Safeguard digital assets with advanced strategies
- Stay ahead of evolving cyber threats with cutting-edge methods
- Cultivate skills in incident response, and ethical hacking techniques
- Unlock exceptional career opportunities as a trusted cybersecurity professional
